Dear Summit Families,

We hope you're all enjoying a nice start to summer break! On behalf of all Summit faculty, administration, and board members, we want to say thank you, again, to our Summit community for your patience and resilience during these unprecedented times. The Strategic Planning Committee, Crisis Management Team, Leadership Team, and administration are currently engaged in scenario planning for the 2020-2021 school year while closely monitoring the latest developments and safety recommendations related to COVID-19. We will continue to keep you informed over the summer months as re-entry plans are made regarding the start of school as well as Camp Raven sessions for July.

In the meantime, administration remains available by phone and email, and an administrator will be on campus from 9:00 am - 3:00 pm Monday through Thursday over the summer months. Please check the [school calendar](#) for any holiday closings. If you need to access the building, please contact administration first by phone or email so we can continue to monitor the number of individuals expected in the building at a given time and remain compliant with local ordinances.

Graduation is still scheduled to be held on Tuesday, July 14th, followed by a banquet on The Summit campus. If any adjustments are needed in response to altered COVID-19 regulations, we will communicate them as soon as possible. We look forward to reuniting with our Summit community to celebrate the Class of 2020 and to recognize our 8th graders in this special ceremony!

The Board of Trustees would like to thank everyone for participating in the recent Parent Satisfaction Survey. They will be reviewing the results prior to the June Board meeting. As a reminder, all Summit Board meetings are open to the community. Please email Board President, [Susan Miranti](#), if you are interested in attending the next virtual meeting on June 15th at 5:30 pm.

The Summit Team wishes everyone a safe and relaxing summer break with lots of fun memories to share this fall!

Sincerely,

Kathryn M. Heet, Ed.D
