

# Reaching Peak Potential at The Summit

**Upper School Initiative for Growing Programming and Enrollment in Grades 6th-12th**

At The Summit, we foster the joy of learning, discovery, engagement, and the pursuit of excellence. Our dedicated faculty engage each student in deeper learning opportunities that allows individuals to soar beyond state-mandated expectations to prepare and inspire the next generation of leaders and innovators. Since the inception of our middle school in 2006, we have spent the past fifteen years developing our Upper School program and facilities to meet and exceed the needs of our students, academically, emotionally, and professionally.

At The Summit, our Upper School (6th-12th) students:

Meet college readiness benchmarks by their junior year

Achieve an average ACT score of 28

Complete an average of 10 college credits before graduating high school

100% of graduates are accepted to university

The 2021-2022 school year marks the largest Upper School enrollment in The Summit's history. With this current and projected growth comes opportunities to continue to evolve and expand our middle and high school programs to create a truly exceptional and unique educational experience for our students.

Looking ahead, we plan to:

- Offer creative tuition models and merit-based scholarships to attract qualified students
- Grow curricular offerings with increased STEM focus and continued expansion of unique electives to support greater student choice
- Invest more high-value experiences into classroom study (robotics, MIT Fab Lab distinction, cultural immersion)
- Build program of expanded athletics and mission-aligned co/extracurricular activities for students based on individual interests and pursuits
- Expand the Upper School campus with additional classrooms and educational breakout spaces to further program development
- Employ additional qualified faculty, coaches, and leadership to sustain student growth

Now accepting applications! To schedule a private tour and experience independent education at The Summit in action, please contact [admissions@thesummitprep.org](mailto:admissions@thesummitprep.org) or call the office at (417) 869-8077.
